Day 1:

Your adventure begins with an early collection from Johannesburg or Mbombela, traveling in a comfortable vehicle toward the Kruger National Park. Upon arriving at the park gate, you will transfer to a dedicated open safari vehicle to begin your first official game drive while making your way to your rest camp. This drive immerses you in the bushveld, focusing on finding general game as you set the stage for your journey. You will check into your budget-friendly chalet or tent, where you can settle in before enjoying dinner at the camp restaurant (at your own expense) and relaxing under the stars.

MEALS INCLUDED: None

Day 2:

Depart before sunrise to take advantage of the cool, prime viewing hours when predators are most active. Your guide will focus on key areas for lion and leopard sightings before stopping at a main rest camp for breakfast. The safari continues until midday, covering different river lines and tracking routes. After time for lunch (own expense) and mid-day relaxation at the camp, whether by the swimming pool or enjoying a siesta, you will head out for a late afternoon drive. This session focuses on large herbivore herds and animals moving toward water sources. You will return to camp before gate closing time for dinner and a relaxing evening.

MEALS INCLUDED: Breakfast

Day 3:

Enjoy another early start to explore a different sector of the park, increasing your chances of finding the more elusive members of the Big Five. After breakfast, you will return to camp for a longer break, allowing you ample time to purchase lunch, recharge, and explore the camp facilities. Your final drive of the day focuses on the golden hour, providing stunning photographic opportunities and a chance to see animals before they settle for the night. You will enjoy your final night in the bush with dinner (own expense) and reflect on your wildlife encounters.

MEALS INCLUDED: Breakfast

Day 4:

Embark on one last memorable sunrise drive to secure any outstanding sightings on your checklist and bid farewell to the Kruger National Park. You will return to camp for your final breakfast, pack, and check out. Finally, you will exit the park and board your transfer vehicle for the comfortable journey back, arriving at your original drop-off point in Johannesburg or Mbombela between 5:00 PM and 6:00 PM.
